EDUCATION

2024	B.Tech	Computer Engineering	Ladoke Akintola University of Technology	Oyo, Nigeria	(4.20/5.0)
------	--------	----------------------	--	--------------	------------

SKILLS

Programming Languages: JavaScript, TypeScript
Backend: Node.js, Deno
Frontend: HTML, CSS, Bootstrap, Tailwind, React.js, Vue.js, Angular.js, Next.js Ionic, Stencil.js
Databases: Firebase
Others: Git & GitHub

CERTIFICATIONS

- Javascript: The Complete Full-Stack Web Development - *Udemy*
- Typescript: The Complete Developer’s Guide - *Udemy*
- React - Software Engineer - *CodeAcademy*
- Next - The Complete Guide - *Udemy*
- Vue - Sycamore Internship Training - *Sycamore*
- Angular - Ultimate Courses - *Ultimate Courses*
- Ionic - Build iOS, Android and Web Apps with Ionic *Udemy*
- Stencil - Build Custom Web Component *Udemy*

WORK EXPERIENCE

Phane, United Kingdom

Software Engineer

- Built an intuitive user interface using React.js and Redux that improved user satisfaction by 100
- Develop and maintain interactive user interfaces with modern frameworks.
- Optimize web applications for performance, responsiveness, and accessibility.
- Implement UI/UX designs while ensuring consistency and usability.
- Manage state, handle API integrations, and ensure smooth data flow.
- Debug issues, troubleshoot errors, and improve frontend functionality.
- Collaborate with designers and backend developers for seamless experiences.

Technologies: Node.js, React.js, ClickUp, Slack, Postman, Tailwind, TypeScript, JavaScript

Sysserve, Lagos

Software Engineer

- Build and maintain frontend applications using Angular and Ionic.
- Created a reusable component library for the web application using Angular Material, resulting in faster development time for new features.
- Collaborate with teams to deliver scalable and efficient solutions.
- Incorporated third-party APIs into the web application for data exchange and real-time updates.
- Optimize UI performance with TailwindCSS for responsiveness.
- Debug, troubleshoot, and enhance frontend functionality.
- Developed a modular, single-page web application in Angular that incorporated responsive design principles.

Technologies: Node.js, Angular.js, Ionic, Stencil, HTML, JavaScript, TypeScript Slack, Jira, Postman

Sycamore, Lagos

Technical Support

- Provided technical support to users by troubleshooting software and system-related issues.
- Investigated and resolved technical issues to ensure smooth product usage.
- Assisted with testing and validating new features and product updates.
- Documented technical issues, solutions, and common troubleshooting steps.
- Collaborated with developers and other teams to identify and escalate technical issues.
- Monitored reported issues and followed up to ensure timely resolution.
- Supported users with technical guidance and clear step-by-step solutions.

Technologies: JavaScript, Vue.js, HTML, Tailwind CSS, Node.js, Google Workspace,

RESEARCH EXPERIENCE

Undergraduate Researcher, Ladoke Akintola University of Technology,
Department of Computer Engineering

Jan 2024 - Nov 2024

Project Title: *Creating A Database Of Registered Vehicle Plate Number For Traffic Offender Identification And Reporting In Nigeria)*

- Conducted research on vehicle registration and traffic enforcement systems.
- Developed a website for identifying and reporting traffic offenders using plate numbers.
- Integrated a system for submitting reports to the police and FRSC.
- Ensured data accuracy, security, and accessibility for effective reporting.
- Analyzed existing traffic management solutions to improve efficiency.
- Explored ways to enhance law enforcement response through digital reporting.

AWARDS & RECOGNITION

- Best Graduating Student - *Ibadan City Model College, 2019*

LEADERSHIP & VOLUNTARY INVOLVEMENT

- Volunteered as a JavaScript Tutor for students at Sysserve, on core programming concepts and best practices. *Lagos, Nigeria*
- Vice President of the Computer Engineering Muslim Society (CPEMS), providing leadership and coordination for student activities during 400-level studies. *Oyo, Nigeria*
- Senior Prefect in final year of college, providing leadership and supervision for over 600 students. *Oyo, Nigeria*
